

Location of training - T7 Training Systems

Your training is located at **Level 3, Office 303B, 276 Pitt Street, Sydney**. This is our small training room set up for one-on-one and two-on-one training sessions. You'll find the personal attention you receive being part of a small group very beneficial in your training session.

- B Galleries Victoria Monorail station
- C Erin's Kitchen (and coffee)
- D Town Hall Railway station

If you are travelling by bus, visit www.131500.com and use the public transport journey planner for the most efficient pathway via public transport. However, if travelling by train, you will find Town Hall train station (D on map) very close to the office or if you are travelling by monorail, you will find the Galleries Victoria monorail station (B on map) to be closest.

The building entrance is located **between the Defense force building** and the **276 Pitt Street underground garage entrance** (as shown to the left).

Come in the entrance and take the elevator up to level 3.

Upon exiting the elevator, turn right and you will see the main group door (shown to the right).

Come through the door - the T7 Training Systems door is the one in the middle.

You are welcome to come straight in or you may wish to enjoy a coffee or relax over breakfast first.

I look forward to working with you.
